#### Welcome!

May 2025

The bones of our building have been around since the early 2000s (probably before that) and have changed hands and names a few different times. In June 2020, in the midst of the pandemic and with the farm family seeking new opportunities, we began brainstorming, cleaning, renovating, and building. In August 2020 we opened our doors for the first time as a family-owned and women lead bistro and bar. This is how The Rusty Feather came about.

Our name was developed in two parts: "Rusty" comes from our humble beginnings of what was once a rustic bush bar, tucked away on the banks of the Crocodile River and servicing our river and bush adventurers and a handful of locals that were in-the-know. "Feather" from the abundant and stunning water bird life that we are so privileged to enjoy every day from our deck.

We take pride in preparing all our meals fresh and in-house. Good food is not fast food. It takes a bit of time and care to prepare.

So, enjoy the view, drinks and company during busy times when your meal may take a little longer for our small kitchen to prepare. Menu changes will cause delays.
